

**Indigo Shares Top Picks to Celebrate the Royal Romance**

Our favourite picks to celebrate the most anticipated nuptials of the year include biographies, photographic retrospectives and tea, of course.

**A romantic read ...**

Dive into a bestselling biography of the young couple and their near decade long romance like Christopher Andersen's [William & Kate](#), or pre-order the definitive book from royals expert Andrew Morton, [William & Kate: A Royal Wedding](#), which will be completed with photos and commentary from the April 29<sup>th</sup> wedding.

**Tea for Two ...**

Enjoy modern updates on an English classic. The [Harney & Sons Black Currant Tea and Stirrer Set](#) features a vintage-inspired tin of Black Currant tea sachets and rock-candy sugar stir sticks. The [Amélie Tea Collection](#) features a six-cup porcelain Tea Pot in pretty powder blue with platinum accents, while complementary Cups and Dessert Plates feature blue and lavender polka dots.
